

## 2018 MARKET SHARE MEMBERSHIP AGREEMENT

Thank you for your interest in supporting Stone Coop Farm LLC through a Market Share membership. By purchasing a Market Share, you will receive a bonus because you are providing us with funds early in the season when we need it most. **Your share can be used in 2018 at our farm market from late January until our last market on December 19, 2018.** Market Share funds may be used to pay for produce, eggs, and other items (including meat) offered through Stone Coop Farm’s Weekly Beet and Farmers’ Markets. Your share includes membership in our Farm to Table events for you and your guests. Farm to Table events will have a separate fee.

Please read and sign this contract to begin your membership for your Market Share.

### Our Commitment to You

We promise to grow produce using only sustainable and organic practices. We will listen to your feedback and take it into consideration as we perfect the art of running our farm. We will track your balance each week and can provide it to you when requested.

### Your Commitment to Us

I understand that farming is unpredictable. By purchasing a Market Share, I agree to share in the risks inherent with farming with my farmers. I understand that there will be variations in the quantity and the quality of produce, depending on weather and other uncontrollable factors.

I understand that if I do not use my entire share by the end of the year, it will not be carried over to the next year. I also agree not to hold Stone Coop Farm LLC responsible for injuries that may occur to my family and me while we are on the farm.
